–  Afghanistan (unranked)

Last official update: 16 June 2026 Next official update: 20 October 2026 (97 days)

Unranked teams

- Teams who have not played a match in the last 48 months, or that have not played more than five matches against officially ranked teams will be unranked.

More

- If a match is downgraded below A-international status after it occurs, any points awarded from the match will not be counted in the next official ranking update
- When matches occur outside of official international match windows, rankings will not be updated until the end of the next ranking window
- For certain matches where full coverage is not available, live rankings will only be updated at full time
